## Family Fun Day: “World of Fishes”

Saturday, March 27, 11 am-3 pm

Visit the Pacific Grove Museum of Natural History to appreciate its special exhibit, “The World of Fishes,” and to enjoy a day of activities for all ages: Make *gyotaku* fish prints, go “fishing” for prizes, paint a wiggly wooden fish, enjoy entertainment by Nancy Raven. For the scientifically inclined, meet experts in ichthyology and underwater photography, estimate a fish’s age by looking at its ear bones, and discover how different fish scales can be. Ready to flop? Revive by eating lunch offered by Vivolo’s Chowder House.  
Free admission/donations appreciated.

Pacific Grove Museum of Natural History, 165 Forest Ave, Pacific Grove.
